SELECTION

Select from eight interest rate guarantee periods

The Palladium® Multi-Year Guarantee Annuity (MYG) offers eight different guarantee periods so that you can select the time frame that works best for you. You can choose from a 3[§], 4[§], 5, 6, 7, 8, 9 or 10 year guarantee period. Lock in a competitive fixed rate for the period of time that fits your needs. Any interest, partial, or systematic withdrawals would reduce the effective rate of interest. The declared credited rate still applies throughout the elected interest guaranteed period. The Palladium® MYG Annuity gives you the predictability you can depend on year after year. Extra: During the first year, there is an additional interest rate for certain guarantee periods.

Choose your own guarantee period

Select when to take income and pay taxes

The Palladium® MYG Annuity is a tax deferred annuity. Tax deferral puts you in control of your tax situation. This means you select when you want to take income and pay taxes. If you do not need the income, you can reinvest your interest without paying taxes on the interest. If you want the income, you can receive monthly payments that are equal to the accrued interest or a fixed amount. And you only pay taxes on the income you withdraw.¹

¹ Information herein is not intended to be legal or tax advice. You should consult with your own attorney and tax advisor for your specific circumstance.

Do you want the income now or later?

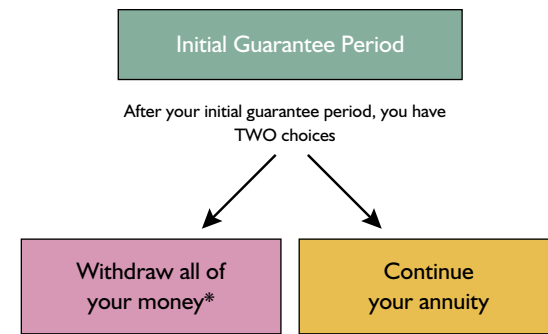

Tax deferral puts you in charge of your income and taxes.

In the first policy year, you may withdraw all or part of interest earned, free of surrender charges and market value adjustments*. Starting in the second policy year, you can withdraw up to 10% of your beginning year annuity value, free of surrender charges and market value adjustments*. And you can take your money in a lump sum or receive payments monthly, quarterly, semi-annually or annually. The Palladium® MYG Annuity gives you peace of mind knowing you have access to your money when you need it. Withdrawals taken before age 59½ may have a 10% tax penalty.

Access when you need it most

For the unexpected events in your life, the Palladium® MYG Annuity provides a Confinement Waiver and a Disability Waiver that allows you to have access to your money without any surrender charges or market value adjustments.

In addition, there is a death benefit provided on the death of the owner or the annuitant. The death benefit is the greater of the annuity value or the surrender value. If the annuitant is not the owner of the policy, the death benefit will be paid to the beneficiary.
